Do You Want to Know

What Your Swallow?

There is a growing sentiment in this country in favor of medicines of known composition. It is but natural that one should have some interest in the composition of that which he or she is expected to swallow, whether it be food, drink or medicine.

Recognizing this growing disposition on the part of the public, and satisfied that the fullest publicity can only add to the well-earned reputation of his medicines, Dr. R. V. Pierce, of Buffalo, N. Y., has "taken time by the forelock," as it were, and is publishing broadsheet a list of all the ingredients entering into his leading medicines, the "Golden Medical Discovery," the popular liver invigorator, stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, overworked, broken-down, nervous and invalid women.

This bold and outspoken movement on the part of Dr. Pierce, has, by showing exactly what his well-known medicines are composed of, completely disarmed all harping critics who have heretofore unjustly attacked them. A little pamphlet has been compiled, from the standard medical authorities of all the several schools of practice, showing the strongest endorsements by leading medical writers of the several ingredients which enter into Dr. Pierce's medicines. A copy of this little book is mailed free to any one desiring to learn more concerning the valuable, native, medicinal plants which enter into the composition of Dr. Pierce's medicines. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets are tiny, sugar-coated antilicious granules. They regulate and invigorate stomach, liver and bowels. Do not leave the "pill habit," but sure constipation. One or two each day for a laxative and regular, three or four for a severe cathartic. Once tried you will never leave.

\$50,000 GIVEN AWAY. In copies of The People's Common Sense Medical Adviser, a book that sold to the extent of 50,000 copies a few years ago, at \$1.50 per copy. Last year we gave away 50,000 worth of these little books. This year we shall give away \$50,000 worth of them. Will you send for one? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stiff paper covers, or 31 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which, despite the most beneficent environment of soil of sunshine and of atmosphere seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc.

You must look to the cause of the trouble—it is a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Inc.

Two sizes—50 cents and \$1.00. E. S. Leadbeater & Sons, Special Agents.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two troubles must be combined. One is local, one is constitutional, but both are important, both essential.

Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative is the constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is a general tonic and blood purifier. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood elements.

The "Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, cleans local weaknesses and discharges, while the Restorative, excites nervous excitement, gives renewed vigor and ambition, builds up wasted strength, and restores the system. Tablets or Liquid—use general tonic to the system. For positive local help, use as well.

JAMESTOWN EXPOSITION.

In something of a chaos, like all expositions begin, the opening of the Jamestown Exposition Friday in commemoration of the first English settlement in America 300 years ago, will yet offer a magnificent spectacle to sightseers in the superb array of warships now gathered under Admiral Evans in Hampton Roads. There, in a line, lies the most formidable fleet ever assembled at one time in American waters. Not a foreign ship has yet arrived.

The ships lie across the historic roadstead in a line, one end near the Esplanade of Old Point Comfort and the other four miles away on the other side. Sixteen United States battleships are in that line.

The approximate cost of these ships is about \$129,000,000, and the total tonnage is 283,500. The combined crews of the vessels total 798 officers and 14,162 men, and the total number of guns carried by the ships is 1092.

The plans for the complete line-up of the naval display assign the visiting ships in the following order: The three Brazilian visitors will have place at the head of the line and abeam of the Georgia, the New Jersey and the Rhode Island.

Abeam of the other American battleships and the order in which they were mentioned will anchor the four ships of Great Britain a space being left abeam of the flagship Connecticut for the presidential yacht the Mayflower. Then will come the two German cruisers, next the two cruisers of Austria, then the Chilean, the Argentine, the Swedish and the Portuguese representative, the last taking position abeam of the Indiana.

England's squadron will be the largest and most formidable of those to visit the United States and will be exceeded in size only by the American fleet. Japan and France will send the next largest squadrons. The foreign vessels will be in nearly all cases armored and protected cruisers. England's largest ship will be the cruiser Good Hope, sister ship to the powerful cruiser Drake.

The Good Hope's displacement is 14,100 tons and her trial speed 23 knots an hour. The English squadron will be commanded by Rear Admiral Neville.

Under the command of Rear Admiral Thierry, France will send three cruisers. The protected cruiser Jean Bart was originally designated, but she has been wrecked off the coast of Africa, and another vessel will be sent in her place. The largest of the squadron will be the Victor Hugo, with a displacement of 12,550 tons.

One of the most interesting visiting squadrons will be that from Japan. One of the Japanese vessels is the Teikoku, a newly-launched ship, built at Kur, entirely of Japanese construction and equipment. She is of 14,000 tons and 22.4 knots speed, armed with eight-inch quick-firers in barbettes fore and aft and smaller calibre in proportion. The protected cruiser Chitose accompanies the Teikoku. These vessels attain great speed. Vice Admiral Ijima will be in command.

Germany will send a fleet of vessels consisting of the warships Roon, Bremen and Panther. The Roon is of 9050 tons displacement. The Bremen and Panther are now in Hampton Roads at the Newport News shipyard undergoing repairs. All these vessels are under the command of Commodore Kalau von Hofe.

The ceremonies incident to the formal opening of the exposition will be under the direction of Mr. G. T. Shepperd, secretary of the Exposition Company, assisted by Lieutenant P. H. Bagby, Sixth United States Infantry, military attaché of the department of the secretary.

At sunrise on April 26 the Norfolk Light Artillery Blues, stationed at the exposition grounds, will fire a salute of 300 guns to usher in the day of the opening. Upon the arrival of President Roosevelt on the Mayflower in Hampton Roads a salute will be fired by the United States and foreign warships there assembled.

Promptly at 11:30 the President will be escorted to the reviewing stand, on Lee's Parade in the rear of the Auditorium building, where the following exercises will take place:

1. Opening prayer by Rt. Rev. Alfred Magill Randolph, bishop of the diocese of Southern Virginia.

2. Address and introduction of the President of the United States by Mr. Harry St. George Tucker, president of the Jamestown Exposition Company.

3. Address by President Roosevelt.

4. Opening of the exposition by President Roosevelt.

When the President presses the gold button starting the machinery of the exposition in motion it will at the same time be the signal for the unfurling of more than 1,000 flags on the various buildings of the exposition.

Immediately thereafter President Roosevelt will review the parade, of which Major General Frederick D. Grant, of the U. S. Army, will be the grand marshal, which will be participated in by the soldiers and sailors of the United States and foreign governments and the national guard. The governors of the different States having military representation will participate in the parade.

Argo Red Red Salmon is sold in one-pound tall cans, because only the tall cans are filled by machinery. Flat and one-half pound cans are filled by hand. Hand work in factories is crude and antiquated. 15 cents a can.

Out of Sight. "Out of sight, out of mind," is an old saying which applies with special force to a sore, burn or wound that's been treated with Bucklin's Arnica Salve. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by E. S. Leadbeater & Sons, Druggists, 25c.

The News—No Pure Drug Cough Cure

Law would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure—and have been for 30 years. The National Law now requires that if any poison enter into a cough mixture, it must be printed on the label or package.

For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's label—and none in the medicine, else it must be law by the label. And it's not only safe, but it is said to be those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there, as you always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by E. S. Leadbeater & Sons, druggists.
